Conclusion statements:

1. Eight out of the nine curricula that were reviewed and selected as "core curriculum" for the ELC approved list appear on the OEL-VPK approved curriculum list
2. WEE Learn is the only core curriculum listed on the ELC approved list that does not appear on the VPK list
3. Three of the curricula selected by OEL for the VPK approved list were selected by ELC as literacy components
4. Six curricula listed on the VPK list do not appear on the ELC list. (Two of them were reviewed by ELC curriculum task force and did not meet established standards. The remaining four were not submitted on any curriculum survey submitted by providers)
5. Six curricula listed on the ELC list do not appear on the VPK list. (One is core curriculum, two are literacy components and three of them are character development supplements)
