**Early Learning Coalition of Big Bend**  
*An Institute for Trainers of Early Childhood Teachers*

**A Play Based Curriculum Model Presented by**  
**The Creative Center for Childhood Research & Training, Inc.**

This institute provides adults who work with young children, and professionals who direct early childhood programs, knowledge through interactive training. The training is designed to provide an understanding of typical child development as a basis for observing the development of young children and implementing developmental play strategies. All participants will learn the importance of structuring the play environment for age-appropriate milestones and be able to evaluate children's play and play products. Emphasis will be on the application of theory and research to the play of young children.
