Preliminary VPK Provider Readiness Rates Available for Review

All VPK providers should have received a letter from the Department of Education regarding the preliminary readiness rates for the 2006-2007 school year. These rates are now available for review on the following web site: <https://vpk.fldoe.org>.

Providers must use their ID and password to view their individual scores. Once on the web site, click on the "**Readiness Rate Search**" button on the left (it will be in dark green). This will take you to the next page where you must click on the year, program (school year or summer), then go all the way to the bottom of the page, and click on the "**submit**" button. To view your score's detail, click on the name of your school.

Providers who wish to dispute their scores have until **February 1st, 2008** to submit the dispute to the Department of Education via the web site or in writing. For additional information on the dispute process, you can click on the "**Dispute Process**" button on the web site.
